Assistant Commissioner of Patents  
Washington, D.C. 20231

Sir:

The Assignee of the above-identified application, The Regents of the University of Michigan, hereby revokes all powers previously granted with respect to the above-identified application.

The Assignee hereby appoints as its attorneys, with full power of substitution and revocation and to transact all business in connection with the above-identified application, Julia Church Dierker, Registration No. 33368 and Denise M. Glassmeyer, Registration No. 31831.

I certify that the Assignee is the owner of the entire right, title and interest in the above identified application by virtue of:

- [X] Assignments from Ralph T. Yang and Nick D. Hutson, inventors of U.S. Serial No. 09/869,623. The Assignments were recorded on June 28, 2001 in the U.S. Patent and Trademark Office at Reel 012093, Frame 0237.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of undersigned's knowledge and belief, title is in the Assignee identified above.

For submissions on behalf of an organization (e.g., corporation, partnership, university, government agency, etc.) the undersigned (whose title is supplied below) is empowered to act on behalf of the organization and is empowered to sign this certificate on behalf of the Assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
